### <u>Legal Report</u>

#### **Docket Update**

General Counsel reported that the Cabinet has assigned two staff attorneys from other Divisions to assist with the Docket part time. General Counsel has begun to assign complaints to those staff attorneys so that she can focus on progressing the administrative hearing docket. She is looking forward to having their

assistance. KREA also received approval to hire a second attorney. General Counsel is hoping to fill that position within the next few months.

The Cabinet legal department also has two new interns from the University of Kentucky. One is specifically assigned to KREA. The other will assist other Cabinet agencies.

General Counsel reported that she is continuing to prepare for upcoming administrative hearings.

### **Illinois Reciprocity**

KREC has been in negotiations with the Illinois Real Estate Commission regarding reciprocity between the two states. Both parties agree on every aspect of the proposal, except the matter of applicants disclosing pending complaints. At the September 2021 meeting, commissioners were asked if they would be willing to forego that requirement in order to finalize the reciprocal agreement and ultimately decided to include that language. However, as a result of continued discussions with representatives from Illinois, staff realized KREC currently only asks applicants to disclose finalized disciplinary action. The license applications do not require individuals to disclose pending administrative complaints. Staff presented KREC with two options: (1) change the license application to include disclosure of pending complaints; or (2) remove the language in the proposed Illinois reciprocity agreement.

Commissioner Disney made the motion to continue negotiating reciprocity with state of Illinois and remove the language regarding the pending complaint language from the Illinois Reciprocity agreement. Commissioner Carter seconded the motion. Having all in favor, the motion carried.
